Little Adventurers Nursery – Terms and Conditions

1. Child protection

If nursery staff are concerned about a pre-existing injury on a child they have a duty to talk to the parents about it. If there are continuing grave concerns about a child's welfare the nursery reserves the right to contact the local safeguarding team without permission of the parents in line with our statutory responsibilities to maintain the health and welfare of each child.

We are unable to legally deny access of a child to either parent/carer unless there is an active restraining order notified and on our file.

2. First aid

Trained first aiders are on site at all times to ensure the safe and appropriate treatment of the inevitable minor cuts and bruises that are part of childhood. Every accident that needs treatment is recorded and staff will ensure you are informed of the circumstances and treatment at the end of the day. If a child has any injury to the head you will be informed immediately as it may be necessary to collect your child early.

3. Sickness and Medication

Children should not be brought to Nursery whilst they are suffering with sickness, diarrhea or any other infectious illness until their symptoms have been clear for 48 hours. If a child becomes ill whilst at Nursery, a member of our team will contact you by telephone to ask you to collect your child immediately. If we are unable to contact you or other parent/guardian we will call the emergency contacts. If serious and required, we will call the child's doctor.

Although not a requirement, staff are happy to administer medication with written permission but it must be in the original container labelled with your child's name and an appropriate medication form completed each time it is needed.

In addition certain types of non-prescribed medication can be given at nursery, such as to reduce temperature (e.g. Calpol) or offer relief for an allergic reaction or sting (e.g. antihistamine) if necessary. Antihistamine liquid will only be given to children over 1 year of age and only if appropriate.

All medication must be given to the manager or key person and the relevant form completed each day of medication.

A child's attendance at nursery while on medication is solely at the discretion of the manager in keeping with our medication protocol. We ask that on the first day of antibiotics your child is kept at home as some children can become ill in the initial stages of treatment.

For children who have ongoing medical conditions (e.g. asthma) the parent will be asked to complete a care plan with the key person to support staff if an emergency situation occurs.

4. Sun care

The nursery will apply Boots factor 50 sun cream to all children in the nursery to ensure a suitable level of sun protection is offered. If parents want to provide their own they must do this in writing and provide a bottle of their preferred brand for staff to reapply during the day.

5. Special requirements

If your child has an ongoing medical condition or allergic reaction to certain textures or food you must inform staff and complete the appropriate nursery medical forms. It is your responsibility to keep staff informed and updated so that relevant and appropriate action can be taken where necessary.

6. Dressing for Nursery and Lost property

We ask that children wear normal day clothes to attend the Nursery and we recommend that children aged 0-3 years bring a daily change of clothing in a labelled rucksack. To assist our staff team, we ask that all clothes are labelled and in particular outdoor garments for use in the garden such as wellington boots, hats, scarves and gloves. The Nursery does not accept liability for the loss of property, unless we have acted negligently, as all items brought in with your child should be clearly labelled.

7. Fees/Registration/Enrolment

If you would like to register your child please complete our registration form and sign to confirm your agreement to the terms and conditions stated therein. Submitting the registration form does not guarantee you a place at the nursery.

Should we be able to mutually agree the sessions (which are subject to availability) this enrolment form is to be fully completed and signed by both parties.

8. Changes to Sessions or cancellation of your nursery place

If you would like to arrange additional sessions at any stage please contact the manager for availability.

We ask for three calendar months' notice in writing (excluding holiday periods,) if your child is leaving nursery or wishes to reduce sessions, otherwise fees will be charged in full.

9. Late collection

If your child is still at nursery after the closing time you will be contacted, along with authorised collectors to make emergency arrangements for your child's collection. Staff will remain on site with your child for a reasonable time until collection. However if we cannot contact you or the authorised collectors staff may be required to contact the local Social Care team. We may charge you £20 pro-rata per hour, per child, if you are more than 10 minutes late collecting your child/children or if you are repeatedly late.

10. Notice of termination

We reserve the right to terminate a child's place with immediate effect if a serious breach of the parental contract has taken place, for example, unacceptable behaviour towards another parent, child or staff member, frequent late collection without permission or non-payment of fees.

Fees are payable monthly in advance on the first day of each month. Invoices shall be provided to parents and it is their responsibility to pay on time each month. Any late payments will incur a charge. If fees remain unpaid, the nursery may charge interest @ 6% compounded daily on the unpaid balance amount and an administration/inconvenience charge per month on any outstanding accounts and all costs associated with collection of fees, including without limitation legal expenses, debt collection agency costs, court fees and associated travel expenses.

11. Refund for non-attendance

While the management team will at all times seek to keep the nursery open during the year to promote continuity of care for the children we will not refund any fees if a child is absent due to sickness or on holiday. In addition the nursery will not refund fees if the nursery has to close due to "acts of God" infectious diseases, pandemics, environmental factors (such as snow or flooding), emergency repairs or any other situation outside of the nursery control.

12. Employment of Nursery Staff

The Nursery actively discourages babysitting by members of our staff team to avoid conflicts of interest and maintain the professionalism of our nursery. Any arrangements that are made outside of the nursery must be made on the understanding that the arrangements and payment are between you and the staff member. In the event of a member of our nursery team being employed by you a fee will be payable to the nursery. This fee will be calculated based on the cost for a suitable replacement and these terms will apply for up to three months after a staff member has left the nursery. The above provision applies only where the staff member works or worked at the nursery when attended by any of your children.

13. Data Protection

The nursery is required to obtain and process personal and sometimes sensitive information about children and families as part of its registration process for childcare services. The information kept is to support development, monitor progress and provide appropriate care for each child in our nursery.

14. Jurisdiction

These terms and conditions are governed by English law and are subject to the jurisdiction of the English courts.

15. Documentation

A copy of your child's birth certificate must be seen by the manager before your child can start attending nursery. Please provide this with these forms, it will be returned to you straight away.
